Subject: FW: Request 135778 Initial - Customer notification

Hi Eric,

I just received this and I assume that it is to follow up the earlier request by replacing Jim's computer. I'll be on vacation from March 10th through March 17. If you come over, you might want to call first, Jim is at 545-2607 or Sharon at 545-2601.

Thanks, Cam
